MEMORANDUM FOR: Chief, Procurement Division

THROUGH : II/MA

SUBJECT : Shipping Instructions for Tear Gas Hand Grenades

REFERENCE : Memorandum for Chief, PD, from Chief, EE, dated 1 March 1951, subject: "Procurement of Tear Gas Hand Grenades."

1. The reference memorandum requested procurement of 1,000 "Base-ball" tear gas grenades for shipment by 15 April 1951 to the OPC Mission in Germany and Austria. Of this number, 750 are to be shipped to the Chief, OPC German Mission, Frankfurt, Germany and 250 to the Chief, OPC Austrian Mission, Vienna, Austria, according to the breakdown given in the reference memorandum.

2. Since the Austrian increment of this shipment must arrive in Austria on or before 1 May 1951, it is requested, as per telephone conversation between Mr. Burgstaller of EE 3 and Mr. Fogg of PD, that sea shipment should be used only if this deadline date can be met. If it becomes apparent that shipment by sea would involve excessive delay, it is requested that priority air shipment be used for the Austrian increment.

3. Addresses for both sea and air shipment to Austria are as follows:

- a. Sea Shipment: 7602 General Depot, USFA, Solbad-Hall
(The letters "SHK" must be added to the Army shipment number to identify it as an OPC shipment)
- b. Air Shipment: Public Affairs Division,
Attention: Administrative Officer
U.S. Legation,
Vienna, Austria

4. Whichever shipment method is used for the Austrian increment, it is requested that EE 3 be notified as to the shipment or Bill of Lading number and ATA, in order that the necessary advance cable notice may be sent to the field.
